

THIRTEEN KEYS

Here are my magical keys. I can open up everything with these keys.

One for the front door, one for the trapdoor,
One for the window, one for the hall.
One for the old green shed in the garden,
One for the safe in the bedroom wall.

One for the playroom, one for the cupboard,
One for the toilet, one for the desk.
One for the piggybank, one for the gate
And the big one here for the old oak chest.

I have a ring with thirteen keys.
