

FAMILY PHOTO

Here is a family photo,
taken when I was two.
All of my family is sitting here.
I'll tell you who is who:

Wait a minute, who's that in the middle? Oh, it's me!

Here's my Mum, kissing my Dad.
Here's my little sister Ann
and the lady there in the wheelchair,
well, that's my dear old Gran.

This is my uncle Ernie. He's married to auntie Flo.
This is my great-great-grandfather, who died ten years ago.

Yes, this is my family.
This is my family.
Yes, this is my family.
And the one in the middle is me.

Now the funny man there with the long white hair
is a cousin from Timbuctoo.
And the boy at the back is my brother Jack.
With my older sister Sue.

There are nephews and nieces...There's my godmother...They're all here.

Yes, this is my family.
This is my family.
Yes, this is my family.
And the one in the middle is me.
