

COUNTING BACKWARDS

One, two, three, four, five, six, seven, eight, nine, ten.
Counting is fun – let's do it again!
Again?
Yes, let's do it again!
Okay!

One, two, three, four, five, six, seven, eight, nine, ten.
Counting is fun –let's do it again!
Not again! Not again?
No! Okay, not again!

REFRAIN

Counting to ten is easy, easy as pie!
Why not start counting backwards? Let's just try!
Ten, nine, eight, seven, six, five, four, three, two, one.
Ten, nine, eight, seven, six, five, four, three, two, one.
Ten, nine, eight, seven, six, five, four, three, two, one.
Ten, nine, eight, seven, six, five, four, three, two, one.

Gesprochen

*How old are you? Six-and-a-half! And you? Nine!
And you? One hundred and twenty-seven!
How long does this song last?
One hundred and forty-five seconds!*
