

## **BAD LANGUAGE**

Sometimes when I´m angry  
With people who annoy me,  
I just start to call them silly things:  
Like “Don´t be such a mumbling pig!”  
Or “You look like a mouldy fig!”  
Or “Fly away, tiny chicken-wings!”

My mother always told me: “Don´t you curse and swear!  
Being rude and rowdy won´t get you anywhere!

Bad language. Don´t use it, my son!  
Bad language. Listen to me:  
If you want to curse and swear,  
Do it pleasantly.”

So to please my Mother  
I just think up other  
Phrases that don´t really sound so bad,  
Like “Who are you, pumpkin head?”  
Or “Pillow, just go back to bed!”  
Or “You remind me of my hamster´s dad!”

My mother always told me: “Don´t you curse and swear!  
Being rude and rowdy won´t get you anywhere!

Bad language. Don´t use it, my son!  
Bad language. Listen to me:  
If you want to curse and swear,  
Do it pleasantly.

With humour!  
With imagination!  
With fantasy!”
