

GOOD AFTERNOON

Refrain

Good afternoon (*clap, clap*).

Good afternoon (*clap, clap*).

What do we say in the afternoon?

Good afternoon (*clap, clap*).

Good afternoon (*clap, clap*).

That's in the afternoon.

1.

In the evening we say: "Good evening",
at bedtime: "Good night".

In the morning we say: "Good morning".

But very soon it's the afternoon
and what do we say then?

Refrain

2.

In the evening we say: "Good evening",
at bedtime: "Good night".

In the morning we say: "Good morning".

But very soon it's the afternoon
and we sing a little tune:

La-la-la-la...
