

PITTER-PATTER

gesprochen

Listen... it's raining again!

Pitter-patter, pit, pat.
Listen to the rain.
Pitter-patter, pit, pat.
It's raining again.
Falling in the garden
and down the window pane.
Pitter patter, pit, pat.
It's raining again.

*Sometimes I like the rain,
Falling in the garden
And down the window pane.
Ha, it's raining again.*

Pitter-patter, pit, pat.
Listen to the rain.
Pitter-patter, pit, pat.
It's raining again.
Falling in the garden
and down the window pane.
Pitter patter, pit, pat.
It's raining again.
