

FIVE FINGERS

One, two, three, four, five...

1.

Look at your hand, you've got five fingers, five fingers, yes five!
Look at your hand, you've got five fingers, five fingers, yes *five*
Four, three, two, one!

2.

Hold out your hand, you've got five fingers, five fingers, yes five!
Hold out your hand, you've got five fingers, five fingers, yes five!

Breaks:

Not one, two or three – Can you see: two more! Not four! But...F-I-V-E!!

BRIDGE:

Fingers, well they're things you need each moment of each day.
Counting can be easy if your fingers lead the way.

One, two, three, four, five...

3.

This is a song that needs five fingers, five fingers, yes five!
This is a song that needs five fingers, five fingers, yes five!

Breaks:

Not one, two or three - Can you see: two more! Not four! But...F-I-V-E!!

BRIDGE:

Some say that a thumb is not a finger. Yes, but thumbs
Can be very handy when you count and do your sums.

One, two, three, four, five...
