

EVERYBODY NEEDS A NAME

My Family name is Button. My first name is Jim.
My best friend is Lukas and everyone knows him.

We both live on an island and this is my address:
Number 1, Main Street - that's easy, I guess.

Everybody needs a name.
Every child, woman and man.
Everybody needs a home
That he can call his own.

It's just a tiny island in the middle of the sea.
But this is where my friends live and so it's home to me.

Jim, Lukas, Emma - it's good to have a name.
And if you haven't got one, life is not the same.

Everybody needs a name.
Every child, woman and man.
Everybody needs a home
That he can call his own.

What's your name?
It's easy, listen:
Give us a J – J.
Give us a I – I .
Give us an M – M.
My name is Jim!
Jim Button.

Everybody needs a name.
Every child, woman and man.
Everybody needs a home
That he can call his
That he can call his
That he can call his own.
