

MONEY

You need money to buy a hat.
You need money to buy a coat.
You need a lot of money to buy a car,
And even more money to buy a boat!

You need money to buy a computer.
You need money to ride on a train.
A little bit of money to buy a book.
You need money to fly to Spain.

Money.
Money.

Money – dollars.
Money – euros.
Money – pounds.
Money – pesetas.
Money – yen.
Money – rupees.
Money – pesos.
Money – lis.

Money can't buy you everything.
It can't buy you love and happiness.
But money can buy you lots of things,
I guess – well, yes.

Cos' you need money to buy a radio.
You need money to rent a flat.
You need money for clothes and jewellery.
You need money to feed the cat.

But you don't need money to breathe the air.
You don't need money to go for a walk.
You don't need money to sing this sing.
You don't need money to think and talk.

Money can't buy you everything.
But money makes the world go round!
