

TWO LITTLE BIRDS

Two birds sitting in the tree.
Happy little birds, happy as can be.
Two friends
Up in the tree.

Two birds singing in the tree.
Two little birds singing merrily.
Two friends
Up in the tree.

The birds fly away,
Far, far away.
The tree is all alone...

The birds fly back again.
The birds fly back again.

Two birds sitting in the tree.
Happy little birds, happy as can be.
Two friends
Up in the tree.

Two birds singing in the tree.
Two little birds singing merrily.
Two friends
Up in the tree.
